

About Me

I'm a live fashion illustrator specializing in capturing guests through refined, fashion-forward sketches that feel both elevated and personal. My work blends style with realism, creating timeless keepsakes that guests truly connect with. From intimate celebrations to large-scale events, I bring a seamless, luxury experience that becomes a memorable part of the day.

Event Wedding Illustrator

Why Choose Me?

Elevated Fashion-Forward Artwork

Each sketch is designed with a refined eye for fashion and detail—capturing guests in a way that feels both stylish and true to life. This isn't a quick caricature; it's a thoughtfully illustrated keepsake that guests genuinely cherish long after the event.

Seamless Guest Centered Experience

With a dedicated assistant managing sign-ups, photos, and coordination, guests are free to fully enjoy the celebration without waiting around. The entire process is designed to feel effortless, organized, and smoothly integrated into your event.

A Luxury Activation Guest Talk About

My work consistently becomes one of the most in-demand experiences at events. Many clients choose to extend their package afterward so additional guests can be sketched—transforming the experience into something memorable, interactive, and highly valued.

Travel fees may apply based on event location
